

Life Centre

The Life Centre is the large community building situated next door to the Sanctuary on our Raikes Parade site. This centre is used for community events organised by the church as well as being used by local dance schools, "The Pool" healing centre, a local Naturalist Society and youth groups. A music studio is also being built. There are 2 large, modern function rooms, one with a stage and dancefloor. Both are available for hire. There is a large well-equipped kitchen and basement with full-size snooker tables, pool tables, air hockey and darts. Please contact us for more details about room hire and availability.

The Sanctuary is available for weddings and baptisms.
